

## **Molokai Coalition holds 1<sup>st</sup> Annual Live Pono Community Fun Day.**

**Molokai High School was the gathering place for over 600 people on Saturday, December 10, 2011. The Coalition for a Tobacco-Free Hawaii Molokai along with Office of Hawaiian Affairs, Molokai High School, Na Puuwai and ALULIKE Inc were the sponsors of this event. The purpose was to promote and assist the community in choosing a healthy life style physically, mentally, emotionally and financially. Pledges not to smoke in cars with kids were signed by children and adults.**

**Everyone could get their blood pressure checked, try to stand up on a paddleboard, learn about robotics and other assistance and happenings available in the community. Healthy lunch, snacks, activities, education, prize drawings and entertainment was enjoyed by all.**

**COPD, Molokai General Hospital, Molokai Community Hospital, Child and Family Services, Molokai Youth Center, REAL and Youth in Motion were among the 42 organizations and businesses that participated and helped to make Live Pono a success.**
