

# Smoke-Free Housing Corner

## Oahu Coalition

**MAHALO** to **Hawaiiana Management** for working with us to identify smoke-free condominiums on Oahu.

### **SMOKE-FREE CONDOMINIUMS**

Currently there are **10** condominiums (that we know of) with smoke-free policies for units and/or lanais. If you know of any smoke-free condominiums (no smoking allowed in units and/or lanais), please let us know (contact information below).

We are developing a smoke-free condominium database which will be accessible to the public on our website sometime this year ([www.tobaccofreehawaii.org](http://www.tobaccofreehawaii.org) and [www.hawaiiismokefreehomes.org](http://www.hawaiiismokefreehomes.org)).

### **SMOKE-FREE HOUSING EXPERT: SERENA CHEN**

The Oahu Coalition is excited to have **Serena Chen** (Policy Director at the American Lung Association and expert in smoke-free policies in multi-unit dwellings) as a speaker at the Coalition for a Tobacco-Free Hawaii's annual meeting on Wednesday, October 26, 2011. We are also planning some smaller workgroup meetings with Serena on Monday October 24 & Tuesday October 25. If you are interested in joining us for any workgroup meetings with Serena please let me know. More details will be sent out when the agendas are finalized.

### **MARKET-SHARE UPDATES...**

The Oahu Coalition is currently assisting two large condominiums in Honolulu. The two condominiums are attempting to pass a by-law amendment banning smoking on the entire property (including individual units and lanais). We will keep you posted on the outcomes.

If your condominium is interested in going smoke-free please contact us!
